The exception to the plumbing permit requirement listed in 50-60-506(4), MCA, for the owner of residential property applies to the owner of a single family dwelling who does the work on the plumbing installation in the dwelling in which (s)he will reside. The "homeowner exemption" applies to those dwellings intended for the owner's personal use and not for dwellings built on speculation of resale or intended as rental property.

Double Fee Penalty: If work as commenced prior to application for a permit and submittal of proper fees, the fee will be doubled in accordance with Section 50-60-509, MCA. Application must be signed and dated by the plumber responsible for the work.
