**COUNCIL DISCUSSION:**

Council Member Poehls stated that next Monday is Memorial Day, so there will not be an Emergency Services Committee meeting. He has not received any information regarding the dog ordinance from the city attorney yet, but will decide if there should be a meeting on Monday, June 3<sup>rd</sup>. There is another issue for the committee to discuss.

Mayor Olson stated that the city attorney indicated a target date of June 11<sup>th</sup> for the draft of the dog ordinance.

Council Member Mountsier commented that Officer Joel Sauter has helped with the congestion problems by the sports complex. There is still a problem there and he thinks it will be necessary to tow vehicles, but the officers are starting to write more tickets.

Mayor Olson stated that the reputation of what is going to happen will become apparent and the people who are visiting must recognize that there are rules and regulations in the city's ordinances.

Council Member Eaton spoke regarding a company that produces history books for cities. She stated that the books are nice, but the company is in it for the profit. Someone locally has just

produced the 2011 edition of Laurel's history book. The books are for sale and would benefit the Laurel Historic Preservation Society that is working to start a museum, as envisioned by Gay Easton. Chuck Rodgers, former council member and mayor, is mentioned in the book, as well as former council member Dick Fritzler. Council Member Eaton has books for sale right now, and the books will be on sale in town soon.

Mayor Olson thanked Council Member Eaton for her continued effort in trying to start a museum. He thinks that an independent museum for the City of Laurel would be greatly received.

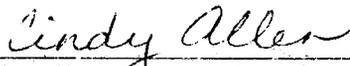

Council Member Poehls stated thanks to CHS for their contribution to the Police Department for the additional patrolling on the south side during the refinery's turnaround. Even though there is still a lot of traffic, the drivers do not seem to be quite as belligerent since drivers are being pulled over on Railroad Street every day.
