## FOR IMMEDIATE RELEASE

April 7, 2020

To prohibit the transmission of COVID-19, the City of Laurel has modified some services and hours of operation.

Effective immediately:

- All playground equipment, park shelters, and park bathrooms are closed to the public.

**Parks are not closed but it is imperative to limit groups to 10 persons or less and maintain 6 feet of separation between all individuals per CDC guidelines.**

These modifications are to ensure best practices of social distancing and to stop the spread of the Corona Virus on surfaces. During these unprecedented times, the City appreciates your patience as we continue to develop the best serve models. The safety and well-being of our community, customers, and staff is a top priority. Please visit <https://cityoflaurelmontana.com/covid19> website for more information.
