

With the recent run on paper products around our community, the City would like to remind residents the only items allowed down your toilet are bodily fluids and toilet paper.

Items you should not put down your toilet include but are not limited to:

- Paper Towels
- Blue Shop Towels
- Baby Wipes
- Feminine Hygiene Products
- Diapers
- Articles of Clothing
- Contraceptives
- Napkins
- Ect.

Putting these types of items down your toilet could clog your pipes and cause costly repairs for either yourself and/or the City.

You should throw them into the trash for disposal.
