I, the undersigned, request permission to work in the public right- of- way within the city limits of the City of Laurel, MT, at the above location subject to the rules and regulations set forth in Chapter 12 of the Laurel Municipal Code specifying current Montana Public Works Standard Specifications. In consideration for this permission, the applicant agrees to the following:

1. All construction concerning this permit will be in a safe manner so as not to interfere with or endanger public travel and to perform all work in a neat and workman type manner using material acceptable to the Code Enforcement Official or the Director of Public Works and that the right- of- way will be cleaned and left in a condition equal to or better than the original condition.
2. The applicant will fully protect the traffic on the highway, street, alley or public right-of-way during construction covered hereunder by proper signs, barricades, flagmen and lights and to indemnify and hold harmless the City of Laurel, its officers and employees, from all damages, expense, claims or liabilities arising out of any alleged damages of any nature, any person or property, due to the construction performance or nonperformance of work or existence of said construction.
3. No work shall be done in such a manner that there will be parking or servicing of vehicles on the public right-of-way.
4. Special additional requirements: _____
