**NOTE: 1998-1999 is the first base year under the provisions of Section 15-10-420, MCA. Each subsequent fiscal year becomes the base year for the next fiscal year. This section also allows an entity to carry forward any levies which could have been levied but were not to future periods.

The current year levies are 195.11 and are at the maximum levels authorized under Section 15-10-420, MCA. If not at maximum levels the difference will be shown in the carry-forward column. The difference between the amount authorized (column i) and the amount actually levied (column m) will be completed by a formula.

If the levies are not at the maximum allowed by law, how many additional mills can be levied before the limit is reached or carried forward? 0 Mills - This should balance with the carry-forward column total.

If you have levies that are voted/judgement/permissive levies please list below:

DEPARTMENT

September 5, 2017

To: City Council

From: Mayor Mark Mace

Greetings from the City of Laurel:

This fiscal year, staff has been requested to keep their budgets status quo except for increases in wages and necessitated items. The citizens of Laurel have been considered in each budget process. Staff prepared a Management Budget and presented it to the Council on June 20, 2017. The purpose of the Management Budget was to allow the department heads to proceed with summer projects prior to the passage of the Final Budget and to move forward on large projects, instead of delaying them until the spring of next year.

The mill value came in at \$7,795/mill this year, which is an increase of \$148/mill over last year. The mill value in 2016-2017 was \$7,647/mill. With the increase of the mill value, the City will see an increase in tax revenue of \$74,471. This is an increase of 1.06% in tax revenue. The following are the changes in apportionment of the levies from 2016-2017 to 2017-2018:

<u>Fund:</u>	<u>17-18 Levy</u>	<u>16-17 Levy</u>
General Fund	148.91	129.41
Difference +19.50		
Comprehensive Liability	4.00	4.20
Difference -0.20		
PERS	11.47	5.00
Difference +6.47		

City of Laurel is an EEO Employer
Equal Housing Opportunity

Group Health	13.06	9.00
Difference +4.06		
Fire Disability	<u>9.0</u>	<u>9.00</u>
Difference <u>+.00</u>		
	186.44	156.61
+ 19.83		

The Comprehensive Liability Fund mill levy has decreased by 0.20 mills. This year's premiums have been reduced for the fourth year in a row due to large reserves at MMIA. The City of Laurel received an \$85,816 retro adjustment, which caused the liability premium to be that amount less. This was an increase to last year, so the mills have gone down 0.20 to account for the difference in last year's retro and this year. Please keep in mind that the premiums will not get breaks each year.

PERS rates have increased by .1% for the fourth year in a row. Per PERS, this amount will be increased on the City's side .1%/year through 2024. Please note that this fund only covers the General Fund employees. All other funds must budget for their employees' PERS.

Group Health has increased by 4.06, due to the reserve being lower than necessary. This, along with the Permissive Mill Fund, will provide insurance payments for all Governmental Funds, not just the General Fund.

The Fire Disability Fund will remain at 9 mills this year. The City has an obligation to fund the Fire Pension for volunteers. These 9 mills amount to \$70,155 and will be given to the Firemen's Relief Association for pension payments. The total pension that is expected to be distributed in the year 2017-2018 is approximately \$75,000. The cash balance at the end of June 2015 was \$92,358. The 9 mills are to supplement the balance of the Pension Fund.

Airport Authority	<u>3.20</u>	<u>3.34</u>
Difference <u>-.14</u>		

The Airport Authority Board has its own taxing authority. This year, the fund will receive .14 mills less. Due to the fact that the mill increased in value, they will receive an additional \$642.16.

Permissive Health Insurance	<u>15.36</u>	<u>26.99</u>
Difference <u>-11.63</u>		

The permissive mill value was \$196,379.24 in 2016-2017 and is valued at \$119,731.20 this fiscal year. Several employees have dropped family coverage or have switched plans to make the insurance more affordable. The Health Insurance has gone up 2.4% this year, with an additional \$500 in deductible. Dental insurance stayed the same and vision insurance increased by 3%. The amount of mills has been decreased because of the increase in the value of a mill and fewer employees.

Employee Wages and Benefits

Unemployment insurance has increased to 0.0025% on gross wages.

Workers' compensation rates were reduced this year by 2.16%, but the City's mod factor has gone down from 1.03 to 0.94, which shows that the City employees are working hard to increase safety.

The Police Union increase this fiscal year is \$.50/hour for police and \$.20/hour for dispatch. They also receive \$.05/hour increase on their anniversary as part of the Retention System.

The Public Works Union Contract is currently in negotiations.

Non-Union Employees were granted a 2% increase to hourly wages, which is an average increase of \$0.40/hr.

Fund 1000 - General Fund:

The General Fund expenditures are at \$4,159,581, with revenues coming in at \$3,736,725. This represents a use of \$422,856 in reserves. Expenditures came in \$206,865 higher than revenues in the last fiscal year. The reserves in General have gone from 23% to 19% this fiscal year. Only part of the reserves authorized to use last fiscal year were spent. Management has decided that expenditures will be allowed to be higher than revenues to accommodate the higher increase of department expenditures this fiscal year.

The General Fund is always a challenge. Expenditures will need to be looked at for cost savings next fiscal year.

Notable changes to the General Fund this year include:

Revenues:

- The amount of tax revenues has increased by \$171,155 because of the increase in the amount of mills levied.
- Fire District revenues have been increased or decreased according to the new contracts.
- City Court collections have been lowered to \$115,000 as only \$108,700 was collected in the previous fiscal year. As of July 31, 2017, the outstanding balance of Court collections totaled \$402,979.91.
- In the General Fund, there is an anticipated decrease in revenues in the amount of 4% over last fiscal year. This was due to the decrease in intergovernmental revenues.

Expenditures:

- All departments were asked to stay at a stationary position. The General Fund managed to lower expenditures authorized by 4% over last year.

Fund 2190 – Comprehensive Insurance

Revenues:

- Tax mills have been decreased by 0.02 this year, to continue to maintain the increase in the reserve to prepare for higher premiums next fiscal year. Expenditures were decreased by \$4,620. The City's reserves need to be increased to provide for future increases. The mills went from 1.75 to 4.2 mills in fiscal year 2016-2017 and will remain at 4.0 mills for this fiscal year. We need to keep in mind that the City has seen cuts in liability insurance for the last 4 years, but the total amount of insurance could be reinstated again next year and will be closer to \$141,000, vs. the \$85,816 premium this year.

Expenditures:

- Premiums for the liability/vehicle/property insurance are only for the General Fund, and all other funds absorb the cost of insurance.

Fund 2250 – Planning

Revenues:

- The projected revenues from the County are \$53,259 for this fiscal year. LURA will continue to contribute \$6,000 to the Planning Department for the work the Planner does for the TIF District.
- Revenues have decreased by \$26,795 this year. The update of the Subdivision Regulations was completed with the \$18,000 CDBG grant funds and there was a reduction in fee revenue.

Expenditures:

- The Planner's wage is divided among 2 funds, which include the General Fund (21%) and Planning Fund (79%).
- One-half of the Building Inspector's wage has been added to this fund, as that position will now assist the planner with planning projects.
- Total expenditures are down \$31,672 over last fiscal year. This decrease in expenditures is due to the completion of the subdivision regulations.

Fund 2260 – Emergency Disaster

Revenues:

- The City will continue to levy 2 mills for the flooding in 2011.
- The remaining approximately \$2 million in FEMA funds for the Intake will be received in this fund and transferred to the Water Fund as needed.

Enterprise Funds

The City continues to search for funding for the Sedimentation Basin project without raising the water/sewer charges. The State and Federal mandates continue to burden the water and sewer users, as well as the City. Enterprise Funds have the responsibility of providing mandated improvements in the Enterprise Funds for our distribution and collection systems. Ongoing capital concerns continue to receive the City's highest attention and the Capital Reserve Funds are continuing to assist through surcharges that are restricted for future capital mandated requirements.

Fund 5210 – Water Fund

This reduction is due to the completion of the water intake project and the Sedimentation Basin project being put on hold until next fiscal year. The Perpetual Fund will receive 15% of the cost of a plot (per State Statute) and these revenues will be retained by the City to support maintenance of the Cemetery when there are no longer plots available for sale. The money may also be used to expand the cemetery with additional plots.

Although this budget message has covered a large portion of the budget, it does not cover every fund or every change in these funds. The items mentioned include the major changes and some different ways of accounting for some past budgeted line items.
