ARTICLE II

AUTHORIZATION, FINDINGS, REPRESENTATIONS AND COVENANTS

Section 2.1 Authorization and Findings.

(a) Authorization. Under the provisions of the Enabling Act, the Borrower is authorized to issue and sell its revenue bonds payable during a term not exceeding forty years from their date of issue, to provide funds for the reconstruction, improvement, betterment and extension of a municipal water system or to refund revenue bonds issued for such purpose; provided that the bonds and the interest thereon are to be payable solely out of the net income and revenues to be derived from rates, fees and charges for the services, facilities and commodities furnished by

such water system, and are not to create any obligation for the payment of which taxes may be levied except to pay for services provided by the water system to the Borrower.

(b) The System. The Borrower, pursuant to the Enabling Act and other laws of the State, has established and presently owns and operates the System.

(c) The 2018 Project. After investigation of the facts and as authorized by the Enabling Act, this Council has determined it to be necessary and desirable and in the best interests of the Borrower to undertake the 2018 Project.

(d) Outstanding Bonds. Pursuant to the Enabling Act and the Resolution, the Borrower has issued its Series 2003 Bond, the Series 2009A Bond, the Series 2009C Bond, and the Series 2016 Bond to finance or refinance improvements to the System. The Series 2003 Bond, the Series 2009A Bond, the Series 2009C Bond, and the Series 2016 Bond are parity Bonds payable from and secured by Net Revenues of the System. No other bonds or indebtedness are currently outstanding that are payable from revenues of the System, except the outstanding Johnson Controls Loan, which is payable from Surplus Net Revenues.

(e) Additional Parity Bonds. The Borrower reserved the right under Section 8.2 of the Original Resolution, as amended, to issue additional Bonds payable from the Debt Service Account of the Fund on a parity as to both principal and interest with the outstanding Bonds, if the Net Revenues of the System for the last complete fiscal year preceding the date of issuance of such additional Bonds have equaled at least 110% of the maximum amount of principal and interest payable from the Debt Service Account in any subsequent fiscal year during the term of the outstanding Bonds, on all Bonds then outstanding and on the additional Bonds proposed to be issued. For the purpose of the foregoing computation, the Net Revenues for the fiscal year preceding the issuance of the additional Bonds shall be those shown by the financial reports caused to be prepared by the Borrower pursuant to Section 2.2(e) of the Original Resolution, as amended, except that if the rates and charges for services provided by the System or finally authorized to go into effect within 60 days after the issuance of the additional Bonds have been changed since the beginning of such preceding fiscal year, then the rates and charges in effect at the time of issuance of the additional Bonds shall be applied to the quantities of service actually rendered and made available during such preceding fiscal year to ascertain the gross revenues, from which there shall be deducted to determine the Net Revenues, the actual operation and maintenance cost plus any additional annual costs of operation and maintenance the Consultant estimates will be incurred because of the improvement or extension of the System to be constructed from the proceeds of the additional Bonds proposed to be issued. In no event shall any additional Bonds be issued and made payable from the Debt Service Account if the Borrower is then in default in any payment of principal or interest on any outstanding Bonds payable therefrom, or if there then exists any deficiency in the balances required by the Original Resolution to be maintained in any of the accounts of the Fund, which will not be cured or restored upon the issuance of the additional Bonds. It is hereby determined that the Borrower is authorized to issue \$4,921,000 in aggregate principal amount of additional Bonds pursuant to Section 8.2 of the Original Resolution, as amended, payable from and secured by the Net Revenues on a parity with the outstanding Series 2003 Bond, the Series 2009A Bond, the Series 2009C Bond and the Series 2016 Bond. In calculating the adequacy of Net Revenues for such certificate, the Johnson Controls Loan is disregarded as it is a Subordinate Obligation.

Section 2.2 Representations. The Borrower represents as follows:

(a) Organization and Authority. The Borrower:

(1) is duly organized and validly existing as a municipal corporation and political subdivision of the State;

(2) has all requisite power and authority and all necessary licenses and permits required as of the date hereof to own and operate the System and to carry on its current activities with respect to the System, to adopt this Supplemental Resolution and to enter into the Collateral Documents and to issue the Series 2018 Bond and to carry out and consummate all transactions contemplated by the Supplemental Resolution, the Series 2018 Bond and the Collateral Documents;

(3) is a Governmental Unit and a Public Entity; and

(4) has taken all proper action to authorize the execution, delivery and performance of its obligations under this Supplemental Resolution, the Series 2018 Bond and the Collateral Documents and the incurrence of the Debt evidenced by the Series 2018 Bond in the maximum amount of the Committed Amount.

(b) Litigation. There is no litigation or proceeding pending, or to the knowledge of the Borrower threatened, against or affecting the Borrower in any court or before or by any governmental authority or arbitration board or tribunal that, if adversely determined, would materially and adversely affect the existence, corporate or otherwise, of the Borrower, or the ability of the Borrower to make all payments and otherwise perform its obligations under the Resolution, the Series 2018 Bond and the Collateral Documents, or the financial condition of the Borrower, or the transactions contemplated by the Resolution, the Series 2018 Bond and the Collateral Documents or the validity and enforceability of the Resolution, the Series 2018 Bond and the Collateral Documents. No referendum petition has been filed with respect to any resolution or other action of the Borrower relating to the 2018 Project, the Series 2018 Bond or any Collateral Documents and the period for filing any such petition will have expired before issuance of the Series 2018 Bond.

(c) Borrowing Legal and Authorized. The adoption of this Supplemental Resolution, the execution and delivery of the Series 2018 Bond and the Collateral Documents and the consummation of the transactions provided for in this Supplemental Resolution, the Series 2018 Bond and the Collateral Documents and compliance by the Borrower with the provisions of the Resolution, the Series 2018 Bond and the Collateral Documents:

(1) are within the powers of the Borrower and have been duly authorized by all necessary action on the part of the Borrower; and

(2) do not and will not result in any breach of any of the terms, conditions or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any property or assets of the Borrower pursuant to any ordinance, resolution, indenture, loan agreement or other agreement or instrument (other

than the Resolution and any Collateral Documents) to which the Borrower is a party or by which the Borrower or its property may be bound, nor will such action result in any violation of the provisions of any charter or similar document, if applicable, any laws, ordinances, governmental rules or regulations or court or other governmental orders to which the Borrower, its properties or operations are subject.

(d) No Defaults. No event has occurred and no condition exists that, upon execution and delivery of the Series 2018 Bond and the Collateral Documents, would constitute a default under the Resolution or the Collateral Documents. The Borrower is not in violation of any term of any agreement, bond resolution, trust indenture, charter or other instrument to which it is a party or by which it or its property may be bound which violation would materially and adversely affect the transactions contemplated hereby or the compliance by the Borrower with the terms hereof or of the Series 2018 Bond and the Collateral Documents.

(e) Governmental Consent. The Borrower has obtained or made all permits, findings and approvals required to the date of adoption of this Supplemental Resolution by any governmental body or officer for the making and performance by the Borrower of its obligations under this Supplemental Resolution, the Series 2018 Bond and the Collateral Documents (including any necessary water rate increase) or for the 2018 Project, the financing or refinancing thereof or the reimbursement of the Borrower for the costs thereof. No consent, approval or authorization of, or filing, registration or qualification with, any governmental authority (other than those, if any, already obtained) is required on the part of the Borrower as a condition to adopting this Supplemental Resolution, issuing the Series 2018 Bond or entering into the Collateral Documents and the performance of the Borrower's obligations hereunder and thereunder.

The Resolution, the Series 2018 Bond and any Collateral Document to which the Borrower is a party are the valid and binding special, limited obligations and agreements of the Borrower, enforceable against the Borrower in accordance with their terms, except to the extent that the enforceability thereof may be limited by laws relating to bankruptcy, moratorium, reorganization, insolvency or similar laws affecting creditors' rights and general principles of equity.

(g) The System. The System is a "community water system" within the meaning of the Act and the Safe Drinking Water Act in that it is a public water system, comprising collection, treatment, storage and distribution facilities for the provision to the public of water for human consumption, that serves not less than 15 service connections used by year-round residents of the area served by the System or regularly serves more than 25 year-round residents.

(h) The 2018 Project. The 2018 Project consists and will consist of the facilities, improvements and activities described in Appendix A, as such Appendix A may be amended from time to time in accordance with Article III of this Supplemental Resolution. The 2018 Project comprises facilities of a type that, as determined by the EPA, will facilitate compliance with the national primary drinking water regulations applicable to the System or will otherwise significantly further the health protection objectives of the Safe Drinking Water Act.

(i) Full Disclosure. There is no fact that the Borrower has not specifically disclosed in writing to the DNRC that materially and adversely affects or (so far as the Borrower can now

foresee), except for pending or proposed legislation or regulations that are a matter of general public information, that will materially and adversely affect the properties, operations and finances of the System, the Borrower's status as a Public Entity and Governmental Unit, its ability to own and operate the System in the manner it is currently operated or the Borrower's ability to perform its obligations under the Resolution, the Series 2018 Bond and the Collateral Documents and to pledge any revenues or other property pledged to the payment of the Series 2018 Bond.

(1) is in compliance with all laws, ordinances, governmental rules and regulations and court or other governmental orders, judgments and decrees to which it is subject and which are material to the properties, operations and finances of the System or its status as a Public Entity and Governmental Unit; and

(2) has obtained all licenses, permits, franchises or other governmental authorizations necessary to the ownership of the System and the operation thereof and agrees to obtain all such licenses, permits, franchises or other governmental authorizations as may be required in the future for the System and the operation thereof, which failure to obtain might materially and adversely affect the ability of the Borrower to conduct the operation of the System as presently conducted or the condition (financial or otherwise) of the System or the Borrower's ability to perform its obligations under the Resolution, the Series 2018 Bond and the Collateral Documents.

Section 2.3 Covenants.

The Borrower at all times shall keep and maintain with respect to the System property and casualty insurance and liability insurance with financially sound and reputable insurers, or self-insurance as authorized by State law, against such risks and in such amounts, and with such deductible provisions, as are customary in the State in the case of entities of the same size and type as the Borrower and similarly situated and shall carry and maintain, or cause to be carried and maintained, and pay or cause to be paid timely the premiums for all such insurance. All such insurance policies shall name the DNRC as an additional insured to the extent permitted under the policy or program of insurance of the Borrower. Each policy must provide that it cannot be cancelled by the insurer without giving the Borrower and the DNRC 30 days' prior written notice. The Borrower shall give the DNRC prompt notice of each insurance policy it obtains or maintains to comply with this Section 2.3(a) and of each renewal, replacement, change in coverage or deductible under or amount of or cancellation of each such insurance policy and the amount and coverage and deductibles and carrier of each new or replacement policy. Such notice shall specifically note any adverse change as being an adverse change. The Borrower shall deliver to the DNRC at Closing a certificate providing the information required by this Section 2.3(a).

(b) Right of Inspection and Notice of Change of Location. The DNRC, the DEQ and the EPA and their designated agents shall have the right at all reasonable times during normal business hours and upon reasonable notice to enter into and upon the property of the Borrower

for the purpose of inspecting the System or any or all books and records of the Borrower relating to the System.

(c) Further Assurance. The Borrower shall execute and deliver to the DNRC all such documents and instruments and do all such other acts and things as may be necessary or required by the DNRC to enable the DNRC to exercise and enforce its rights under the Resolution, the Series 2018 Bond and the Collateral Documents and to realize thereon, and record and file and re-record and refile all such documents and instruments, at such time or times, in such manner and at such place or places, all as may be necessary or required by the DNRC to validate, preserve and protect the position of the DNRC under the Resolution, the Series 2018 Bond and the Collateral Documents.

(d) Maintenance of Security, if Any; Recordation of Interest.

(1) The Borrower shall, at its expense, take all necessary action to maintain and preserve the lien and security interest of the Resolution and the Collateral Documents so long as any amount is owing under the Resolution or the Series 2018 Bond;

(2) The Borrower shall forthwith, after the execution and delivery of the Series 2018 Bond and thereafter from time to time, cause the Resolution and any Collateral Documents granting a security interest in revenues or real or personal property and any financing statements or other notices or documents relating thereto to be filed, registered and recorded in such manner and in such places as may be required by law in order to perfect and protect fully the lien and security interest hereof and thereof and the security interest in them granted by the Resolution and, from time to time, shall perform or cause to be performed any other act required by law, including executing or causing to be executed any and all required continuation statements and shall execute or cause to be executed any further instruments that may be requested by the DNRC for such perfection and protection; and

(3) Except to the extent it is exempt therefrom, the Borrower shall pay or cause to be paid all filing, registration and recording fees incident to such filing, registration and recording, and all expenses incident to the preparation, execution and acknowledgment of the documents described in subparagraph (2), and all federal or state fees and other similar fees, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of the Series 2018 Bond and the Collateral Documents and the documents described in subparagraph (2).

(e) Additional Agreements. The Borrower covenants to comply with all representations, covenants, conditions and agreements, if any, set forth in Appendix C hereto.

(f) Financial Information. This Section 2.3(f) supplements, and is not intended to limit, the requirements in Section 2.2(e) of the Original Resolution, as amended. The Borrower agrees that for each fiscal year it shall furnish to the DNRC and the DEQ, promptly when available, in addition to those matters specified in Section 2.2(e) of the Original Resolution:

(1) the preliminary annual budget for the System, with items for the 2018 Project shown separately; and

(2) when adopted, the final annual budget for the System, with items for the 2018 Project shown separately.

(g) 2018 Project Accounts. The Borrower shall maintain Project accounts in accordance with generally accepted government accounting standards.

(h) Records. After reasonable notice from the EPA or the DNRC, the Borrower shall make available to the EPA or the DNRC such records as the EPA or the DNRC reasonably requires to review and determine compliance with the Safe Drinking Water Act, as provided in Section 75-6-224(1)(d) of the Act.

(i) Compliance with Safe Drinking Water Act. The Borrower has complied and shall comply with all conditions and requirements of the Safe Drinking Water Act pertaining to the 2018 Loan and the 2018 Project.

(j) Compliance with DEQ Requirements. The Borrower shall comply with plan, specification and other requirements for public water systems established by the DEQ, as required by Section 75-6-224(1)(h) of the Act.

Section 2.4 Covenants Relating to the Tax-Exempt Status of the State Bonds.

(a) The Borrower covenants and agrees that it will not use or permit to be used any of the proceeds of the Series 2018 Bond or any other funds of the Borrower in respect of the 2018 Project or the Series 2018 Bond, directly or indirectly, in a manner that would cause, or take any other action that would cause, any State Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code or would otherwise cause the interest on the State Bonds to be included in gross income for purposes of federal income taxation.

(b) The Borrower agrees that it will not enter into, or allow any “related person” (as defined in Section 147(a)(2) of the Code) to enter into, any arrangement, formal or informal, for the purchase of the State Bonds or any other obligations of the DNRC in an amount related to the amount of the 2018 Loan or the portion of the 2018 Loan derived directly or indirectly from proceeds of the State Bonds or that would otherwise cause any State Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code.

(c) The Borrower shall not use or permit the use of the 2018 Project directly or indirectly in any trade or business carried on by any Person who is not a Governmental Unit. For the purpose of this subparagraph, use as a member of the general public (within the meaning of the Regulations) shall not be taken into account and any activity carried on by a Person other than a natural person shall be treated as a trade or business.

(d) Any portion of the 2018 Project being refinanced or the cost of which is being reimbursed was acquired by and is now and shall, during the term of the 2018 Loan, be owned by the Borrower and not by any other Person. Any portion of the 2018 Project being financed

shall be acquired by and shall, during the term of the 2018 Loan, be owned by the Borrower and not by any other Person. Notwithstanding the previous two sentences, the Borrower may transfer the 2018 Project or a portion thereof to another Governmental Unit which is also a Public Entity if such transfer is otherwise permitted under the Resolution and if such organization agrees with the DNRC to comply with Section 2.3(h), Section 2.3(i) and Section 2.4 of this Supplemental Resolution and if the DNRC receives an Opinion of Bond Counsel that such transfer will not violate the Act or the Safe Drinking Water Act or adversely affect the exclusion of interest on the State Bonds from gross income or purposes of federal income taxation. In addition, except as otherwise provided in the Resolution or in any Collateral Documents, the Borrower may sell or otherwise dispose of any portion of the 2018 Project which has become obsolete or outmoded or is being replaced or for other reasons is not needed by the Borrower or beneficial to the general public or necessary to carry out the purposes of the Safe Drinking Water Act.

(e) At the Closing of the 2018 Loan, the DNRC will, if necessary to obtain the Opinion of Bond Counsel described in Section 7.05(a) of the Indenture, deliver to the Borrower instructions concerning compliance by the Borrower with the arbitrage rebate requirements of Section 148 of the Code (the "Arbitrage Rebate Instructions"). The Borrower shall comply with the Arbitrage Rebate Instructions, if any, delivered to it by the DNRC at Closing, as such Instructions may be amended or replaced by the DNRC from time to time. The Arbitrage Rebate Instructions may be amended or replaced by new Arbitrage Rebate Instructions delivered by the DNRC and accompanied by an Opinion of Bond Counsel to the effect that the use of said amended or new Arbitrage Rebate Instructions will not adversely affect the excludability of interest on the State Bonds or any Additional State Bonds (except State Bonds the interest on which the State did not intend to be excluded from gross income for federal income tax purposes) from gross income of the recipients thereof for federal income tax purposes.

(f) The Borrower agrees that during the term of the 2018 Loan it will not contract with or permit any Private Person to manage the 2018 Project or any portion thereof except according to a written management contract and upon delivery to the DNRC of an opinion of Bond Counsel to the effect that the execution and delivery of such management contract will not violate the Act or the Safe Drinking Water Act or adversely affect the exclusion of interest on State Bonds from gross income or purposes of federal income taxation.

(g) The Borrower may not lease the 2018 Project or any portion thereof to any Person other than a Nonexempt Person which agrees in writing with the Borrower and the State not to cause any default to occur under the Resolution; provided the Borrower may lease all or any portion of the 2018 Project to a Nonexempt Person pursuant to a lease which in the Opinion of Bond Counsel delivered to the DNRC will not cause the interest on the State Bonds to be included in gross income for purposes of federal income taxation.

(h) The Borrower shall not change the use or nature of the 2018 Project if (i) such change will violate the Safe Drinking Water Act, or (ii) so long as the State Bonds are outstanding unless, in the Opinion of Bond Counsel delivered to the DNRC, such change will not result in the inclusion in gross income of interest on the State Bonds for federal income tax purposes.

Section 2.5 Maintenance of System; Liens. The Borrower shall maintain the System, including the 2018 Project, in good condition and make all necessary renewals, replacements,

additions, betterments and improvements thereto. The Borrower shall not grant or permit to exist any lien on the 2018 Project or any other property making up part of the System, other than liens securing Debt where a parity or senior lien secures the Series 2018 Bond; provided that this Section 2.5 shall not be deemed to be violated if a mechanic's or contractor's lien is filed against any such property so long as the Borrower uses its best efforts to obtain the discharge of such lien and promptly reports to the DNRC the filing of such lien and the steps it plans to take and does take to discharge of such lien.

Section 2.6 Maintenance of Existence; Merger, Consolidation, Etc.; Disposition of Assets. The Borrower shall maintain its corporate existence, except that it may consolidate with or merge into another Governmental Unit or permit one or more Governmental Units to consolidate with or merge into it or may transfer all or substantially all of its assets to another Governmental Unit and then dissolve if the surviving, resulting or transferee entity (if other than the Borrower) (i) is a Public Entity and (ii) assumes in writing all of the obligations of the Borrower under the Resolution, the Series 2018 Bond and the Collateral Documents, and (a) such action does not result in any default in the performance or observance of any of the terms, covenants or agreements of the Borrower under the Resolution, the Series 2018 Bond and the Collateral Documents, (b) such action does not violate the Act or the Safe Drinking Water Act and does not adversely affect the exclusion of interest on the Series 2018 Bond or the State Bonds from gross income for federal income tax purposes and (c) the Borrower delivers to the DNRC on the date of such action an Opinion of Bond Counsel that such action complies with this Section 2.6.

Other than pursuant to the preceding paragraph, the Borrower shall not transfer the System or any portion thereof to any other Person, except for property which is obsolete, outmoded, worn out, is being replaced or otherwise is not needed for the operation of the System, unless the provisions of (a) and (b) of the preceding paragraph are satisfied and the Borrower delivers to the DNRC an Opinion of Bond Counsel to that effect and, in addition, the DNRC consents to such transfer.

ARTICLE III

USE OF PROCEEDS; THE 2018 PROJECT

Section 3.1 Use of Proceeds. The Borrower shall apply the proceeds of the 2018 Loan from the DNRC solely as follows:

(a) The Borrower shall apply the proceeds of the 2018 Loan solely to the financing, refinancing or reimbursement of the costs of the 2018 Project as set forth in Appendix A hereto and this Section 3.1. The 2018 Loan will be disbursed in accordance with ARTICLE IV hereof and Article VII of the Indenture. If the 2018 Project has not been completed prior to Closing, the Borrower shall, as quickly as reasonably possible, complete the 2018 Project and expend proceeds of the 2018 Loan to pay the costs of completing the 2018 Project.

(b) No portion of the proceeds of the 2018 Loan shall be used to reimburse the Borrower for costs paid prior to the date of adoption of this Supplemental Resolution of a Project the construction or acquisition of which occurred or began earlier than June 1, 1993. In addition, if

any proceeds of the 2018 Loan are to be used to reimburse the Borrower for 2018 Project costs paid prior to the date of adoption of this Supplemental Resolution, the Borrower shall have complied with Section 1.150-2 of the Regulations in respect of such costs.

(c) Any Debt to be refinanced with proceeds of the 2018 Loan was incurred after June 1, 1993 for a Project the construction or acquisition of which began after June 1, 1993. No proceeds of the 2018 Loan shall be used for the purpose of refinancing an obligation the interest on which is exempt from federal income tax or excludable from gross income for purposes of federal income taxation unless the DNRC has received an Opinion of Bond Counsel, satisfactory to it, to the effect that such refinancing will not adversely affect the exclusion of interest on the State Bonds from gross income for purposes of federal income taxation.

Section 3.2 The 2018 Project. Set forth in Appendix A to this Supplemental Resolution is a description of the 2018 Project, which describes the property which has been or is to be acquired, installed, constructed or improved and the other activities, if any to be funded from the 2018 Loan (the 2018 Project may consist of more than one facility or activity), and an estimated budget relating to the 2018 Project. The 2018 Project may be changed and the description thereof in Appendix A may be amended from time to time by the Borrower but only after delivery to the DNRC of the following:

(a) A certificate of the Borrower setting forth the amendment to Appendix A and stating the reason therefor, including statements whether the amendment would cause an increase or decrease in the cost of the 2018 Project, an increase or decrease in the amount of proceeds of the 2018 Loan which will be required to complete the 2018 Project and whether the change will materially accelerate or delay the construction schedule for the 2018 Project;

(b) A written consent to such change in the 2018 Project by an Authorized DNRC Officer;

(c) An Opinion or Opinions of Bond Counsel stating that the 2018 Project, as constituted after such amendment, is, and was at the time the State Bonds were issued, eligible for financing under the Act and is, and was at the time the Series 2018 Bond was issued, eligible for financing under the Enabling Act, such amendment will not violate the Act or the Enabling Act and such amendment will not adversely affect the exclusion of interest on the State Bonds or the Series 2018 Bond from gross income for purposes of federal income taxation. Such an Opinion of Bond Counsel shall not be required for amendments which do not affect the type of facility to be constructed or activity to be financed; and

The Borrower acknowledges and agrees that an increase in the principal amount of the 2018 Loan may be made only upon an application to the DEQ, the DNRC and the Trustee, in such form as the DEQ shall specify, which is approved by the DEQ and the DNRC, in their sole and absolute discretion, and adoption by the governing body of the Borrower of a resolution amendatory of or supplementary to the Resolution authorizing the additional loan and delivery of written certifications by officers of the Borrower to the DEQ, the DNRC and the Trustee to the effect that all representations and covenants contained in the resolution as it may be so amended or supplemented are true as of the date of closing of the additional loan and compliance with applicable tests for the incurrence of such Debt. No assurance can be given that any additional

loan funds will be available under the Program at the time of any such application or thereafter. The Borrower acknowledges and agrees that neither the DEQ, the DNRC, the Trustee nor any of their agents, employees or representatives shall have any liability to the Borrower and have made no representations to the Borrower as to the sufficiency of the 2018 Loan to pay costs of the 2018 Project or as to the availability of additional funds under the Program to increase the principal amount of the 2018 Loan.

Section 3.3 2018 Project Representations and Covenants. The Borrower hereby represents to and covenants with the DNRC that:

(a) all construction of the 2018 Project has complied and will comply with all federal and state standards, including, without limitation, EPA regulations and standards;

(b) all future construction of the 2018 Project will be done only pursuant to fixed price construction contracts. The Borrower shall obtain a performance and payment bond from the contractor for each construction contract in the amount of 100% of the construction price and ensure that such bond is maintained until construction is completed to the Borrower's, the DNRC's and the DEQ's satisfaction;

(c) all future construction of the 2018 Project will be done in accordance with plans and specifications on file with the DNRC and the DEQ, provided that changes may be made in such plans and specifications with the written consent of an Authorized DNRC Officer and the DEQ;

(d) all laborers and mechanics employed by contractors and subcontractors on the 2018 Project have been and will be paid wages at rates not less than those prevailing on projects of a character similar in the locality as determined by the United States Secretary of Labor in accordance with subchapter IV of chapter 31 of title 40, United States Code;

(e) iron and steel products used in the 2018 Project comply with the "American Iron and Steel" requirements of Section 436 of the Consolidated Appropriations Act of 2014 (P.L. 113-76), as those requirements are further interpreted by applicable EPA guidance;

(f) the 2018 Project is a project of the type permitted to be financed under the Enabling Act, the Act and the Program and Section 1452 of the Safe Drinking Water Act; and

(g) the Borrower will undertake the 2018 Project promptly after the Closing Date and will cause the 2018 Project to be completed as promptly as practicable with all reasonable dispatch, except only as completion may be delayed by a cause or event not reasonably within the control of the Borrower; it is estimated by the Borrower that the 2018 Project will be substantially completed by the Estimated Completion Date.

Section 3.4 Completion or Cancellation or Reduction of Costs of the 2018 Project.

(a) Upon completion of the 2018 Project, the Borrower shall deliver to the DNRC a certificate stating that the 2018 Project is complete, stating the amount, of the Reserved Amounts, and releasing the remaining amount, if any, of the Committed Amount. If any Reserved Amount is not later needed, the Borrower shall so inform the DNRC and release such

amount. If Appendix A describes two or more separate projects as making up the 2018 Project, a separate completion certificate shall be delivered for each.

(b) If all or any portion of the 2018 Project is cancelled or cut back or its costs are reduced or for any other reason the Borrower will not require the full Committed Amount, the Borrower shall promptly notify the DNRC in writing of such fact and release the portion of the Committed Amount which will not be needed.

ARTICLE IV

THE 2018 LOAN

Section 4.1 The 2018 Loan; Disbursement of 2018 Loan. The DNRC has agreed to lend to the Borrower, from time to time as the requirements of this Section 4.1 are met, an amount up to \$4,921,000 (the "Committed Amount") for the purposes of financing, refinancing or reimbursing the Borrower for a portion of the costs of the 2018 Project; provided the DNRC shall not be required to loan any proceeds of the State Bonds to the Borrower after the Estimated Completion Date. The Committed Amount may be reduced as provided in Section 3.2 and Section 3.4 of this Supplemental Resolution. The City will fund a deposit to the Reserve Account and pay the costs of issuance of the Series 2018 Bond from funds it has on hand and available therefor.

(a) The DNRC intends to disburse the 2018 Loan through the Trustee. In consideration of the issuance of the Series 2018 Bond by the Borrower, the DNRC shall make, or cause the Trustee to make, a disbursement of all or a portion of the 2018 Loan upon receipt of the following documents:

(1) an Opinion of Bond Counsel as to the validity and enforceability of the Series 2018 Bond and the security therefor and stating in effect that interest on the Series 2018 Bond is not includable in gross income of the owner thereof for purposes of federal income taxation, in form and substance satisfactory to the DNRC;

(2) the Series 2018 Bond, fully executed and authenticated;

(3) a certified copy of the Resolution and this Supplemental Resolution;

(4) any other security instruments or documents required by the DNRC or DEQ as a condition to their approval of the 2018 Loan;

(5) if all or part of a Loan is being made to refinance a Project or reimburse the Borrower for the costs of a Project paid prior to the Closing, evidence, satisfactory to the DNRC and the Bond Counsel referred to in (1) above, (A) that the acquisition or construction of the Project was begun no earlier than June 1, 1993 or the debt was incurred no earlier than June 1, 1993, (B) of the Borrower's title to the Project, (C) of the costs of such Project and that such costs have been paid by the Borrower and (D) if such costs were paid before adoption of this Supplemental Resolution that the Borrower has complied with Section 1.150-2 of the Regulations;

(6) the items required by the Indenture for the portion of the 2018 Loan to be disbursed at Closing; and

(7) such other certificates, documents and other information as the DNRC, the DEQ or the Bond Counsel giving the opinion referred to in subparagraph (1) may require (including any necessary arbitrage rebate instructions).

(b) In order to obtain a disbursement of a portion of the 2018 Loan to pay costs of the 2018 Project, the Borrower shall submit to the DNRC and the Trustee a signed request for disbursement on the form prescribed by the DNRC, with all attachments required by such form. The Borrower may obtain disbursements only for costs which have been legally incurred and are due and payable. All Loan disbursements will be made to the Borrower only upon proof that cost was incurred.

(c) For refinancings, a disbursement schedule complying with the requirements of the Safe Drinking Water Act shall be established by the DNRC and the Borrower at Closing.

(d) If all or a portion of the 2018 Loan is made to reimburse a Borrower for Project costs paid by it prior to Closing, the Borrower shall present at Closing the items required by Section 4.1(b) of this Supplemental Resolution relating to such costs. The Trustee shall disburse such amounts to the Borrower pursuant to a disbursement schedule complying with the requirements of the Safe Drinking Water Act established by the DNRC and the Borrower at the Closing.

(e) Notwithstanding anything else provided herein, the Trustee shall not be obligated to disburse the 2018 Loan any faster or to any greater extent than it has amounts available therefor in the Revolving Fund. The DNRC shall not be required to do “overmatching” pursuant to Section 5.04(b) of the Indenture, but may do so in its discretion. The Borrower acknowledges that if Project costs are incurred faster than the Borrower projected at Closing, there may be delays in making 2018 Loan disbursements for such costs. The DNRC will use its reasonable best efforts to obtain an acceleration of such schedule if necessary.

(f) Upon making each 2018 Loan disbursement, the Trustee shall note such disbursement on Schedule A to the Series 2018 Bond.

(g) The Borrower agrees that it will deposit in the Reserve Account upon receipt thereof, on the date of the first advance under the 2018 Loan and any subsequent disbursement dates, any proceeds of the 2018 Loan borrowed for the purpose of increasing the balance in the Reserve Account in an amount then required to satisfy the Reserve Requirement. The Borrower further acknowledges and agrees that any portions of the 2018 Loan representing capitalized interest shall be advanced only on Payment Dates and shall be transferred by the Trustee on the Payment Date directly to the Debt Service Account. The amount of any such transfer shall be a credit against the interest payments due on the Series 2018 Bond and interest thereon shall accrue only from the date of transfer.

(h) Compliance by the Borrower with its representations, covenants and agreements contained in the Original Resolution, this Supplemental Resolution and the Collateral Documents shall be a further condition precedent to the disbursement of the 2018 Loan in whole or in part.

The DNRC and the Trustee, in their sole and absolute discretion, may make one or more disbursements, in whole or in part, notwithstanding such noncompliance, and without liability to make any subsequent disbursement of the 2018 Loan.

Section 4.2 Commencement of Loan Term. The Borrower's obligations under this Supplemental Resolution and the Collateral Documents shall commence on the date hereof unless otherwise provided in this Supplemental Resolution. However, the obligation to make payments under ARTICLE V hereof shall commence only upon the first disbursement by the Trustee of the 2018 Loan proceeds.

Section 4.3 Termination of Loan Term. The Borrower's obligations under this Supplemental Resolution and the Collateral Documents in respect of the Series 2018 Bond shall terminate upon payment in full of all amounts due under the Series 2018 Bond and this Supplemental Resolution; provided, however, that the covenants and obligations provided in ARTICLE VI and Section 10.3 of this Supplemental Resolution shall survive the termination of this Supplemental Resolution.

Section 4.4 Loan Closing Submissions. On or prior to the Closing, the Borrower will have delivered to the DNRC and the Trustee the closing submissions required by Section 7.05 of the Indenture.

ARTICLE V

REPAYMENT OF 2018 LOAN

Section 5.1 Repayment of 2018 Loan. The Borrower shall repay the amounts lent to it pursuant to Section 4.1 hereof, plus interest on the unpaid amounts lent at the rate of two percent (2.00%) per annum, in semiannual Loan Repayments. In addition, the Borrower shall pay an Administrative Expense Surcharge and a Loan Loss Reserve Surcharge, each at the rate of twenty-five hundredths of one percent (0.25%) per annum on the outstanding principal amount of the 2018 Loan. For purposes of this Supplemental Resolution and the Program, the term "Interest on the Loan" or "Interest on the 2018 Loan" shall include the Administrative Expense Surcharge and the Loan Loss Reserve Surcharge. The Borrower shall pay all Loan Repayments and Administrative Expense Surcharge and Loan Loss Reserve Surcharge in lawful money of the United States of America to the DNRC. Interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge shall be calculated on the basis of a year of 360 days comprising 12 months of 30 days each.

The Loan Repayments required by this Section 5.1, and the Administrative Expense Surcharge and the Loan Loss Reserve Surcharge, shall be due on each January 1 and July 1 (the "Payment Dates"), as follows:

- (a) interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge on the outstanding principal balance of the 2018 Loan shall be payable on each January 1 and July 1, beginning on July 1, 2019 and concluding on January 1, 2039; and

(b) the principal of the 2018 Loan shall be repayable on each Payment Date, beginning on July 1, 2019 and concluding on January 1, 2039, and the amount of each principal payment shall be calculated on the basis of substantially level debt service at an interest rate of 2.50% per annum; provided that principal of the 2018 Loan is payable only in amounts that are multiples of \$1,000.

The payments of principal of and interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge on the 2018 Loan shall be due on the dates and in the amounts shown in Schedule B to the Series 2018 Bond, as such Schedule B shall be modified from time to time as provided below. The portion of each such Loan Repayment consisting of principal and the portion consisting of interest and the amount of each Administrative Expense Surcharge and the amount of each Loan Loss Reserve Surcharge shall be set forth in Schedule B to the Series 2018 Bond. Upon each disbursement of 2018 Loan amounts to the Borrower pursuant to Section 4.1 hereof, the Trustee shall enter or cause to be entered the amount advanced on Schedule A to the Series 2018 Bond under "Advances" and the total amount advanced under Section 4.1, including such disbursement, under "Total Amount Advanced."

Interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge on each advance of the 2018 Loan shall accrue from the date the advance is made and shall be payable on each Payment Date thereafter. Once the completion certificate for the 2018 Project has been delivered to the DNRC, the Trustee shall revise Schedule B to the Series 2018 Bond in accordance with this Section 5.1 and the Trustee shall send a copy of such Schedule B to the Borrower within one month after delivery of the completion certificate.

Past-due payments of principal and interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge shall bear interest at the rate of ten percent (10.00%) per annum, until paid.

Any payment of principal, interest or Administrative Expense Surcharge and Loan Loss Reserve Surcharge under this Section 5.1 shall also be credited against the same payment obligation under the Series 2018 Bond.

Section 5.2 Additional Payments. The Borrower shall also pay, within 30 days after receipt of a bill therefor, from any legally available funds therefor, including proceeds of the 2018 Loan, if the Borrower so chooses, all reasonable expenses of the DNRC and the Trustee in connection with the 2018 Loan, the Collateral Documents and the Series 2018 Bond, including, but not limited to:

(a) the cost of reproducing this Supplemental Resolution, the Collateral Documents and the Series 2018 Bond;

(b) the fees and disbursements of Bond Counsel and other Counsel utilized by the DNRC and the Trustee in connection with the 2018 Loan, this Supplemental Resolution, the Collateral Documents and the Series 2018 Bond and the enforcement thereof; and

(c) all taxes and other governmental charges in connection with the execution and delivery of the Collateral Documents or the Series 2018 Bond, whether or not the Series

2018 Bond are then outstanding, including all recording and filing fees relating to the Collateral Documents and the pledge of the State's right, title and interest in and to the Series 2018 Bond, the Collateral Documents and this Supplemental Resolution and all expenses, including attorneys' fees, relating to any amendments, waivers, consents or collection or enforcement proceedings pursuant to the provisions hereof or thereof.

Section 5.3 Prepayments. The Borrower may not prepay all or any part of the outstanding principal amount of the Series 2018 Bond unless (i) it obtains the prior written consent of the DNRC thereto, and (ii) no Loan Repayment or Administrative Expense Surcharge or Loan Loss Reserve Surcharge is then delinquent. Any prepayment permitted by the DNRC must be accompanied by payment of accrued interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge to the date of prepayment on the amount of principal prepaid. If the Series 2018 Bond is prepaid in part pursuant to this Section 5.3, such prepayments shall be applied to principal payments in inverse order of maturity.

Section 5.4 Obligations of Borrower Unconditional. The obligations of the Borrower to make the payments required by this Supplemental Resolution and the Series 2018 Bond and to perform its other agreements contained in this Supplemental Resolution, the Series 2018 Bond and Collateral Documents shall be absolute and unconditional, except as otherwise provided herein or in such documents. The Borrower (a) shall not suspend or discontinue any payments provided for in this Supplemental Resolution and the Series 2018 Bond, (b) shall perform all its other agreements in this Supplemental Resolution, the Series 2018 Bond and the Collateral Documents and (c) shall not terminate this Supplemental Resolution, the Series 2018 Bond or the Collateral Documents for any cause, including any acts or circumstances that may constitute failure of consideration, destruction of or damage to the 2018 Project or the System, commercial frustration of purpose, any dispute with the DNRC or the EPA, any change in the laws of the United States or of the State or any political subdivision of either or any failure of the DNRC to perform any of its agreements, whether express or implied, or any duty, liability or obligation arising from or connected with this Resolution.

Section 5.5 Limited Liability. All payments of principal of and interest on the 2018 Loan and other payment obligations of the Borrower hereunder and under the Series 2018 Bond shall be special, limited obligations of the Borrower payable solely out of the Net Revenues, and shall not, except at the option of the Borrower and as permitted by law, be payable out of any other revenues of the Borrower. The obligations of the Borrower under the Resolution and the Series 2018 Bond shall never constitute an indebtedness of the Borrower within the meaning of any state constitutional provision or statutory or charter limitation and shall never constitute or give rise to a pecuniary liability of the Borrower or a charge against its general credit or taxing power. The taxing powers of the Borrower may not be used to pay principal of or interest on the Series 2018 Bond, and no funds or property of the Borrower other than the Net Revenues may be required to be used to pay principal of or interest on the Series 2018 Bond.

INDEMNIFICATION OF DNRC AND DEQ

The Borrower shall to the extent permitted by law indemnify and save harmless the DNRC and the DEQ and their officers, employees and agents (each an "Indemnified Party" or, collectively, the "Indemnified Parties") against and from any and all claims, damages, demands,

expenses, liabilities and losses of every kind asserted by or on behalf of any Person arising out of the acts or omissions of the Borrower or its employees, officers, agents, contractors, subcontractors, or consultants in connection with or with regard or in any way relating to the condition, use, possession, conduct, management, planning, design, acquisition, construction, installation or financing of the 2018 Project. The Borrower shall also, to the full extent permitted by law, indemnify and save harmless the Indemnified Parties against and from all costs, reasonable attorneys' fees, expenses and liabilities incurred in any action or proceeding brought by reason of any such claim or demand. If any proceeding is brought against an Indemnified Party by reason of such claim or demand, the Borrower shall, upon notice from an Indemnified Party, defend such proceeding on behalf of the Indemnified Party.

ARTICLE VII

ASSIGNMENT

Section 7.1 Assignment by Borrower. The Borrower may not assign its rights and obligations under the Resolution or the Series 2018 Bond.

Section 7.2 Assignment by DNRC. The DNRC will pledge its rights under and interest in the Resolution, the Series 2018 Bond and the Collateral Documents (except to the extent otherwise provided in the Indenture) as security for the payment of the State Bonds and may further assign such interests to the extent permitted by the Indenture, without the consent of the Borrower.

Section 7.3 State Refunding Bonds. In the event the State Bonds and Additional State Bonds are refunded by bonds which are not Additional State Bonds, all references in the Resolution to State Bonds and Additional State Bonds shall be deemed to refer to the refunding bonds and any bonds of the State on a parity with such refunding bonds (together, the "Refunding Bonds") or, in the case of a crossover refunding, to the State Bonds and Additional State Bonds and the Refunding Bonds. In the event the State Bonds are refunded by an issue of Additional State Bonds, all references in the Resolution to the State Bonds shall be deemed to refer to such Additional State Bonds or, in the case of a crossover refunding, both the State Bonds and such Additional State Bonds.

ARTICLE VIII

THE SERIES 2018 BOND

Section 8.1 Net Revenues Available. The Borrower is authorized to charge just and equitable rates, charges and rentals for all services directly or indirectly furnished by the System, and to pledge and appropriate to the Series 2018 Bond the Net Revenues to be derived from the operation of the System, including improvements, betterments or extensions thereof hereafter constructed or acquired. The Net Revenues to be produced by such rates, charges and rentals during the term of the Series 2018 Bond are expected to be more than sufficient to pay the principal and interest when due on the Bonds, and to create and maintain reasonable reserves therefor, to provide an adequate allowance for replacement and depreciation, and to provide

adequate Surplus Net Revenues to pay Subordinate Obligations, including the Johnson Controls Loan, as prescribed herein.

Section 8.2 Issuance and Sale of the Series 2018 Bond. The Council has investigated the facts necessary and hereby finds, determines and declares it to be necessary and desirable for the Borrower to issue the Series 2018 Bond to evidence the 2018 Loan. The Series 2018 Bond is issued to the DNRC without public sale pursuant to Montana Code Annotated, Section 7-7-4433.

Section 8.3 Terms. The Series 2018 Bond shall be in the maximum principal amount equal to the Committed Amount, shall be issued as a single, fully registered bond numbered R-1, shall be dated as of the date of delivery to the DNRC, and shall bear interest at the rate charged by the DNRC on the 2018 Loan. The principal of and interest on the Series 2018 Bond shall be payable on the same dates on which Loan Repayments are payable. Advances of principal of the Series 2018 Bond shall be deemed made when advances of the 2018 Loan are made under Section 4.1, and such advances shall be payable in accordance with Schedule B to the Series 2018 Bond, as it may be revised by the DNRC from time to time in accordance with Section 5.1.

The Borrower may prepay the Series 2018 Bond, in whole or in part, only upon the terms and conditions under which it can prepay the 2018 Loan under Section 5.3.

Section 8.4 Negotiability, Transfer and Registration. The Series 2018 Bond shall be fully registered as to both principal and interest, and shall be initially registered in the name of and payable to the DNRC. While so registered, principal of and interest on the Series 2018 Bond shall be payable to the DNRC at the Office of the Department of Natural Resources and Conservation, 1539 Eleventh Avenue, Helena, Montana 59620-1601 or such other place as may be designated by the DNRC in writing and delivered to the Borrower. The Series 2018 Bond shall be negotiable, subject to the provisions for registration and transfer contained in this Section. No transfer of the Series 2018 Bond shall be valid unless and until (1) the holder, or his duly authorized attorney or legal representative, has executed the form of assignment appearing on the Series 2018 Bond, and (2) the City Clerk-Treasurer of the Borrower (or successors, the "Registrar"), as Bond Registrar, has duly noted the transfer on the Series 2018 Bond and recorded the transfer on the registration books of the Registrar. The Registrar may, prior to noting and recording the transfer, require appropriate proof of the transferor's authority and the genuineness of the transferor's signature. The Borrower shall be entitled to deem and treat the Person in whose name the Series 2018 Bond is registered as the absolute owner of the Series 2018 Bond for all purposes, notwithstanding any notice to the contrary, and all payments to the registered holder shall be valid and effectual to satisfy and discharge the Borrower's liability upon such Series 2018 Bond to the extent of the sum or sums so paid.

Section 8.5 Execution and Delivery. The Series 2018 Bond shall be executed on behalf of the Borrower by the manual signatures of the Mayor and the City Clerk-Treasurer. Any or all of such signatures may be affixed at or prior to the date of delivery of the Series 2018 Bond. The Series 2018 Bond shall be sealed with the corporate seal of the Borrower. In the event that any of the officers who shall have signed the Series 2018 Bond shall cease to be officers of the Borrower before the Series 2018 Bond is issued or delivered, their signatures shall remain binding upon the Borrower. Conversely, the Series 2018 Bond may be signed by an authorized official who did not hold such office on the date of adoption of this Supplemental

Resolution. The Series 2018 Bond shall be delivered to the DNRC, or its attorney or legal representative.

Section 8.6 Form. The Series 2018 Bond shall be prepared in substantially the form attached as Appendix B.

ARTICLE IX

SECURITY FOR THE SERIES 2018 BOND

The Series 2018 Bond is issued as an additional Bond under Section 8.2 of the Original Resolution, as amended, and the Series 2003 Bond, the Series 2009A Bond, the Series 2009C Bond, the Series 2016 Bond, the Series 2018 Bond and any other additional Bonds issued under the provisions of Article VIII of the Original Resolution (excluding Section 8.4 thereof), as amended, shall be equally and ratably secured by the provisions of the Resolution and payable out of the Net Revenues appropriated to the Debt Service Account of the Water System Fund, without preference or priority, all as provided in the Resolution, and secured by the Reserve Account, as further provided in Section 9.3 of the Original Resolution and in the following sentence. On the Closing Date, the Borrower shall deposit in the Reserve Account, from available funds of the System, an amount sufficient to cause the balance in the Reserve Account to equal the Reserve Requirement, treating all of the principal amount of the Series 2018 Bond as advanced at Closing. In the event the amount in the Reserve Account exceeds the Reserve Requirement as of the date of the final disbursement of proceeds of the Series 2018 Bond, the Borrower shall reduce the amount then in the Reserve Account to equal the Reserve Requirement, recognizing that none of the amounts in the Reserve Account shall be from proceeds of the Series 2018 Bond. Thereafter, upon each monthly apportionment, from the Net Revenues remaining after the apportionment to the Revenue Bond Account, the Borrower shall credit to the Reserve Account such additional Net Revenues as may be required to establish and thereafter maintain the balance in an amount equal, as of the date of calculation, to the Reserve Requirement. No payment of principal or interest shall be made on any Subordinate Obligation, including the Johnson Controls Loan, if the City is then in default in the payment of principal or interest on any Bond or if there is a deficiency in the Operating Account or the Debt Service Account or the balance in the Reserve Account is less than the Reserve Requirement. The Borrower shall keep, perform and observe each and every one of its covenants and undertakings set forth in the Resolution for the benefit of the registered holders from time to time of the Series 2018 Bond.

ARTICLE X

TAX MATTERS

Section 10.1 Use of 2018 Project. The 2018 Project and the System will be owned and operated by the Borrower and available for use by members of the general public on a substantially equal basis. The Borrower shall not enter into any lease, use or other agreement with any non-governmental person relating to the use of the 2018 Project or the System or security for the payment of the Series 2018 Bond which might cause the Series 2018 Bond, to be

considered a “private activity bond” or “private loan bond” within the meaning of Section 141 of the Code.

Section 10.2 General Covenant. The Borrower covenants and agrees with the owners from time to time of the Series 2018 Bond that it will not take or permit to be taken by any of its officers, employees or agents any action which would cause the interest on the Series 2018 Bond to become includable in gross income for federal income tax purposes under the Code and the Regulations, and covenants to take any and all actions within its powers to ensure that the interest on the Series 2018 Bond will not become includable in gross income for federal income tax purposes under the Code and the Regulations.

Section 10.3 Arbitrage Certification. The Mayor and the City Clerk-Treasurer, being the officers of the Borrower charged with the responsibility for issuing the Series 2018 Bond pursuant to this Supplemental Resolution, are authorized and directed to execute and deliver to the DNRC a certificate in accordance with the provisions of Section 148 of the Code, and Section 1.148-2(b) of the Regulations, stating that on the basis of facts, estimates and circumstances in existence on the date of issue and delivery of the Series 2018 Bond, it is reasonably expected that the proceeds of the Series 2018 Bond will be used in a manner that would not cause the Series 2018 Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code and the Regulations.

Section 10.4 Arbitrage Rebate Exemption.

(a) The Borrower hereby represents that the Series 2018 Bond qualifies for the exception for small governmental units to the arbitrage rebate provisions contained in Section 148(f) of the Code. Specifically, the Borrower represents:

(1) Substantially all (not less than 95%) of the proceeds of the Series 2018 Bond (except for amounts to be applied to the payment of costs of issuance) will be used for local governmental activities of the Borrower.

(2) The aggregate face amount of all “tax-exempt bonds” (including warrants, contracts, leases and other indebtedness, but excluding private activity bonds) issued by or on behalf of the Borrower and all subordinate entities thereof during 2018 is reasonably expected not to exceed \$5,000,000. To date in 2018, the Borrower has not issued any tax-exempt bonds.

(b) If notwithstanding the provisions of paragraph (a) of this Section 10.4, the arbitrage rebate provisions of Section 148(f) of the Code apply to the Series 2018 Bond, the Borrower hereby covenants and agrees to make the determinations, retain records and rebate to the United States the amounts at the times and in the manner required by said Section 148(f).

Section 10.5 Information Reporting. The Borrower shall file with the Secretary of the Treasury, not later than February 15, 2019, a statement concerning the Series 2018 Bond containing the information required by Section 149(e) of the Code.

Section 10.6 “Qualified Tax-Exempt Obligation.” Pursuant to Section 265(b)(3)(B)(ii) of the Code, the Borrower hereby designates the Series 2018 Bond as a “qualified tax-exempt obligation” for purposes of Section 265(b)(3) of the Code. The Borrower has not designated any obligations in 2018, other than the Series 2018 Bond, under Section 265(b)(3). The Borrower hereby represents that it does not anticipate that obligations bearing interest not includable in gross income for purposes of federal income taxation under Section 103 of the Code (including refunding obligations as provided in Section 265(b)(3) of the Code and including “qualified 501(c)(3) bonds” but excluding other “private activity bonds,” as defined in Sections 141(a) and 145(a) of the Code) will be issued by or on behalf of the Borrower and all “subordinate entities” of the Borrower in 2018 in an amount greater than \$10,000,000.

ARTICLE XI

CONTINUING DISCLOSURE

The Borrower understands and acknowledges that the DNRC is acquiring the Series 2018 Bond under the Program pursuant to which the State issues from time to time State Bonds to provide funds therefor. The Borrower covenants and agrees that, upon written request of the DNRC from time to time, the Borrower will promptly provide to the DNRC all information that the DNRC reasonably determines to be necessary or appropriate to offer and sell State Bonds or to provide continuing disclosure in respect of State Bonds, whether under Rule 15c2-12 (17 C.F.R. § 240.15c2-12) promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended, or otherwise. Such information shall include, among other things and if so requested, financial statements of the Borrower prepared in accordance with generally accepted accounting principles promulgated by the Financial Accounting Standards Board as modified in accordance with the governmental accounting standards promulgated by the Governmental Accounting Standards Board or as otherwise provided under Montana law, as in effect from time to time (such financial statements to relate to a fiscal year or any period therein for which they are customarily prepared by the Borrower, and, if for a fiscal year and so requested by the DNRC, subject to an audit report and opinion of an accountant or government auditor, as permitted or required by the laws of the State). The Borrower will also provide, with any information so furnished to the DNRC, a certificate of the Mayor and the City Clerk-Treasurer to the effect that, to the best of their knowledge, such information does not include any untrue statement of a material fact or omit to state any material fact required to be stated therein to make the statements made, in light of the circumstances under which they are made, not misleading.

UNITED STATES OF AMERICA
STATE OF MONTANA
COUNTY OF YELLOWSTONE

CITY OF LAUREL

WATER SYSTEM REVENUE BOND
(DNRC DRINKING WATER STATE REVOLVING LOAN PROGRAM)
SERIES 2018

R-1

\$4,921,000

FOR VALUE RECEIVED, CITY OF LAUREL, MONTANA (the “Borrower”), a duly organized municipal corporation and political subdivision of the State of Montana, acknowledges itself to be specially indebted and, for value received, hereby promises to pay to the Department of Natural Resources and Conservation of the State of Montana (the “DNRC”), or its registered assigns, solely from the Debt Service Account of its Water System Fund, the principal sum equal to the sum of the amounts entered on Schedule A attached hereto under “Total Amount Advanced,” with interest on each such amount from the date such amount is advanced hereunder at the rate of two percent (2.00%) per annum on the unpaid balance until paid. In addition, the Borrower shall pay an Administrative Expense Surcharge and a Loan Loss Reserve Surcharge on the outstanding principal amount of this Bond each at the rate of twenty-five hundredths of one percent (0.25%) per annum, respectively. Principal, interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge shall be payable in semiannual installments payable on each January 1 and July 1 (each a “Loan Repayment Date”) commencing July 1, 2019 and concluding on January 1, 2039. Each installment shall be in the amount set forth opposite its due date in Schedule B attached hereto under “Total Loan Payment.” The portion of each such payment consisting of principal, the portion consisting of interest, the portion consisting of Administrative Expense Surcharge, and the portion consisting of Loan Loss Reserve Surcharge shall be as set forth in Schedule B attached hereto. Upon each disbursement of 2018 Loan amounts to the Borrower pursuant to the Resolution described below, the DNRC shall enter (or cause to be entered) the amount advanced on Schedule A under “Advances” and the total amount advanced under the Supplemental Resolution, including such disbursement, under “Total Amount Advanced.” The DNRC shall prepare Schedule B and any revised Schedule B, or cause Schedule B and any revised Schedule B to be prepared, as provided in Section 5.1 of Resolution No. R18-83. Schedule B shall be calculated and recalculated on a level debt service basis assuming an interest rate of two and one-half percent (2.50%) per annum. Past-due payments of principal and interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge shall bear interest at the rate of ten percent (10.00%) per annum, until paid. Interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge shall be calculated on the basis of a 360-day year comprising 12 months of 30 days each. All payments under this Bond shall be made to

the registered holder of this Bond, at its address as it appears on the Bond register, in lawful money of the United States of America.

This Bond is one of an issue of Water System Revenue Bonds of the Borrower authorized to be issued in one or more series from time to time, and constitutes a series in the maximum authorized principal amount of \$4,921,000 (the "Series 2018 Bond"). The Series 2018 Bond is issued to finance a portion of the costs of the construction of certain improvements to the water system of the Borrower (the "System"). The Series 2018 Bond is issued pursuant to and in full conformity with the Constitution and laws of the State of Montana thereunto enabling, including Montana Code Annotated, Title 7, Chapter 7, Parts 44 and 45, as amended, and ordinances and resolutions duly adopted by the governing body of the Borrower, including Resolution No. R97-48 of the City adopted on September 4, 1997 (the "Original Resolution"), as amended and supplemented by Resolution Nos. R98-47, R03-26, R09-10, R09-124, R10-19, R10-124, R12-95, R16-48, and R18-83, adopted by the City Council on August 18, 1998, March 18, 2003, January 20, 2009, November 3, 2009, February 16, 2010, November 2, 2010, November 20, 2012, July 5, 2016, and December 4, 2018, respectively (the Original Resolution, as so amended and supplemented, the "Resolution"). Terms used with initial capital letters but not defined herein have the meanings given them in the Resolution. The Series 2018 Bond is issuable only as a single, fully registered bond. The Series 2018 Bond is issued on a parity with the Borrower's outstanding First Amended and Restated Water System Revenue Bond (DNRC Revolving Loan Program), Series 2003 (the "Series 2003 Bond"), Water System Revenue Bond (DNRC Drinking Water Revolving Loan Program), Series 2009A (the "Series 2009A Bond") Water System Revenue Bond (DNRC Drinking Water Revolving Loan Program), Series 2009C (the "Series 2009C Bond"), and Water System Revenue Bond (DNRC Drinking Water State Revolving Loan Program), Series 2016 (the "Series 2016 Bond") (all such Bonds, collectively, the "Outstanding Bonds").

Reference is made to the Resolution for a more complete statement of the terms and conditions upon which the Series 2018 Bond has been issued, the Net Revenues of the System pledged and appropriated for the payment and security thereof, the conditions upon which additional bonds may be issued under the Resolution and made payable from such Net Revenues on a parity with the Outstanding Bonds (collectively with the Series 2018 Bond, the "Bonds") or otherwise, the conditions upon which the Resolution may be amended, the rights, duties and obligations of the Borrower, and the rights of the owners of the Series 2018 Bond.

The Borrower may prepay the principal of the Series 2018 Bond only if (i) it obtains the prior written consent of the DNRC thereto, and (ii) no Loan Repayment or Administrative Expense Surcharge or Loan Loss Reserve Surcharge is then delinquent. Any prepayment permitted by the DNRC must be accompanied by payment of accrued interest, and Administrative Expense Surcharge and Loan Loss Reserve Surcharge to the date of prepayment on the amount of principal prepaid. If the Series 2018 Bond is prepaid in part, such prepayments shall be applied to principal payments in inverse order of maturity.

This Series 2018 Bond, including interest thereon, is payable solely from the Net Revenues pledged for the payment thereof and does not constitute a debt of the Borrower within the meaning of any constitutional or statutory limitation or provision.

The Borrower may deem and treat the person in whose name this Series 2018 Bond is registered as the absolute owner hereof, whether this Series 2018 Bond is overdue or not, for the purpose of receiving payment and for all other purposes, and the Borrower shall not be affected by any notice to the contrary. The Series 2018 Bond may be transferred as hereinafter provided.

This Series 2018 Bond has been designated by the Borrower as a “qualified tax-exempt obligation” pursuant to Section 265 of the Internal Revenue Code of 1986, as amended.
