Other Items**

Dianne Lehme of BSEDA was present. She suggested having Laurel consider the ARPA funding that is coming out. This is specifically for Water and Sewer Projects. TIFs and TEDD districts are eligible to receive funding. They do not require specific matching funds but they would prefer to see it. The applications are not as detailed as other ones are. The Largest amount able to be requested is \$25 million. Eligible projects include drainage systems and storm water.

Nick remarked that they have been working with KLJ to come up with projects.

Richard Herr said it would be important to look westward by the interchange and to expand westward.

The City could apply for multiple projects (WL Interchange, TIF District, etc.)

This funding is also able to be matched with Federal dollars (NOT a normal situation).

Nick mentioned that the City is also looking at other funding sources such as Coal Board in order to get projects done.

The Coal Board was recently reorganized and may look at Laurel and Yellowstone County differently.

Members discussed possible eligibility of projects and how the Ditch improvement would Richard suggested appointing a Vice Chair. Nick placed the item on the agenda for June 28th.

Dennis – Everybody gets some. Should we have a system to better consider projects?

The smaller, regular businesses should have a priority over the larger conglomerates who have money to spend.

Public-facing improvements. (Entrance, façade, public spaces, etc.)

Don mentioned that he has had conversations with people to open new businesses (restaurant, brewery, etc.) and didn't know where to start. He has mentioned LURA to them as a way to get help with start-up costs and other major costs.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.
