Dear Laurel Airport Authority Chairperson,

The Laurel Volunteer Fire Department and the City of Laurel have discussed the upcoming Fire district contracts and other services for the Rural Fire Districts and Fire Service Areas.

We would like to continue to offer a contract with a 4% increase from last year's contract. The increase is due to the rising inflation cost of expenses associated to the fire service. Such increases are for fire apparatus, both new equipment and the maintenance and repair of existing apparatus, personal protective equipment, rising fuel costs and equipment purchases to maintain a highly effective service to our districts.

The proposed increase would be as follows:

Contract Year	Last Contract		% +/-	Increase/ Decrease				Annual Payment
2022- 2023	\$5092.83	x	.04	\$203.71	+	\$5092.83	=	\$5296.54

If your Board of Directors accepts this contract amount, the City of Laurel and the Laurel Fire Department are requesting that the new contracts will be finalized and ready to be presented to the City of Laurel Council before the end of the fiscal year. If you feel that the new rate is unjust and would like to meet with myself or the City of Laurel Mayor, please contact me and arrange a date and time at your convenience to meet.

Enclosed you will find the contract for the next year of service. Please sign and return to the following by April 15, 2022.
