Great West Engineering, Inc. Project No. 2-07128

Dear Kurt:

The Bid Opening for the referenced project was held Friday, March 20, 2015, and Wilson Bros. Construction is the low bidder with a total bid of \$27,290.00. Their bid is less than the Engineer's Estimate for the project and within the City's budget for the work. I have enclosed a copy of the certified bid tabulations for your reference.

Wilson Bros. Construction has completed several similar projects within the City of Laurel, City of Billings and Yellowstone County, exhibiting the ability to perform the work included in the project.

Based upon these factors, I formally recommend the City of Laurel award the *Laurel 8th Street East Culvert Project* to Wilson Bros. Construction, Inc.

As always, feel free to contact us with any questions.

Sincerely,

Great West Engineering, Inc.
